Waller County Line Barbeque is some of the finest Pit barbeque that you'll find in the state of Texas. Special care is taken to prepare our brisket on "Real Smokers" at just the right temperature. Our ribs and chicken are cooked in the same slow consistent manner that allows the meat to maintain a moist and juicy flavor. Waller County Line sausage is prepared many times throughout the day to assure they are receiving the freshest product available. We also offer an assorted mix of sides including potato salad, cole slaw and beans. And don't forget about our homemade barbeque sauce which enhances any of our popular meat selections.

Just remember that we also have a bakery, so customers can feel confident that they are receiving fresh baked cakes, pies, cookies, brownies and banana pudding every day.

Waller County Line also features a wide variety of breakfast items if you happen to get there before the brisket comes off the pit.

So give us a try, you'll be glad you did. It's an experience that you won't forget.
